## TIPS

- Pack a full set of outfit with flip flops in your carryon. Your room might not be ready and/or your bag might be delayed. Don't delay your fun because you have nothing to wear.
- Bring underwater camera or pouch to capture your swimming, snorkeling or any water related activities.
- Take anything that is financial or sentimental of value with you. Items can be lost in the ocean, on excursions or even taken out of your luggage while traveling.
- Be aware of your surroundings at all times.

## DO NOT PACK

- E-cigarettes
- Infused products
- CDB Oil
- Weapons
- Anything that is too valuable to you
- Any type of cannabis
- Any sharp object in your carry on
